

Beat the heat this summer!

After a long, hot day, what could be more inviting for parents and kids than coming home to your own pool? It's a whole new world of laughter and water-splashed family fun in the comfort of your own backyard. And CORNELIUS leads the way with a wide range of affordable above-ground pools.

Millenium

Why try and cram a whole summer of fun into one or two short weeks? A new Millenium CORNELIUS pool makes your summer fun last all summer. It's like one endless summer of cool fun for the whole family.

LASTING STYLE AND VALUE FOR YOUR BACKYARD

The MILLENIUM pool brings unique style and beauty to your yard with design-inspired walls. Khaki colored co-ordinated posts and top ledges add a graceful touch. This look complements any backyard and any taste. And this new CORNELIUS pool looks beautiful year after year, while it adds value to your lifestyle.

DURABLE CORNELIUS POOLS LAST SUMMER AFTER SUMMER

The MILLENIUM stands up to whatever kids can dish out, while it handles any weather with ease. Our 7" steel ledge resists weather, water and wear. Durable 6" steel upright posts with unique interlocking resin caps and resin foot collars give the whole package strength, support and style. Galvanized steel frame components have polyester paint finish and Krystal Kote® sealant to provide years of lasting beauty and quality. Heavy-duty tracks, oversized connectors and oversized fasteners add strength for a pool that will last for summers to come.

YEARS OF EASY MAINTENANCE

The oval pool brings the ultimate in style to your yard with a fun, flexible shape. Added engineering means long life, easy care and more useable yard space. Available with traditional angle bracing or a space-saving Narrow Buttress System (NBS). Your pool installs easily. Ledges, caps and posts fit snugly and securely. Skimmer and return outlets come pre-punched.

DO IT YOURSELF INSTALLATION

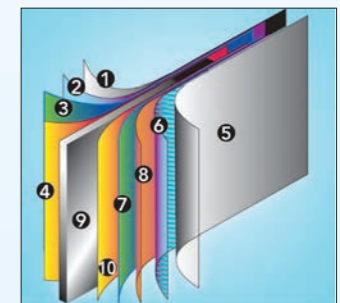

If you're handy with a screwdriver, then you can easily assemble your MILLENIUM CORNELIUS pool. We've designed each pool to make installation problem-free—no multi-sized washers or nuts to worry about. Just one large screw type is used to assemble the entire pool and we provide easy-to-follow instructions.

Round Millenium - Tuscan wall offered in 52 and 54 inches

NBS oval Millenium - Tuscan wall offered in 52 and 54 inches
